

Information in English

Welcome to the site of the students council for the Faculty of Technology at Bielefeld University.

Unfortunately most of our daily work is done in German and we have not a lot of capacity to translate it, so these sites are also written in German for the most part.

Nonetheless you are very welcome to contact us for any questions you might have regarding your studies, formalities at the uni, old exam protocols or general advice!

You can reach us either by mail to info@fachschaft.techfak.de or [Matrix/TeamChat chat](#) in [our space there](#). Please don't hesitate write us! You can also come by at our office in M3-101 any time (if you want to make very sure somebody is there check the [time table](#) in before).
